

A writing activity from

# Grimm & Co

## 30 Grimm Days

### Day Twenty-two to Twenty-seven

#### You will need:

- The ability to watch and listen to the activity instructions (these have been recorded, so you'll need to be able to listen to them through a computer or phone, or through headphones and you'll need a screen to see each step of the process)
- Paper, pencil/pen and coloured pencil crayons
- Scissors
- A disguise (of any kind)

**Day Twenty-two:** Create your own secret identity profile and disguise.

**Day Twenty-three:** Draw a dotted line down the middle of a piece of paper. This is a border. Place this on the floor, in a location in which you would like to make a separation between two areas. Draw a box on 'your side' of the border: this is your border control. Answer the following questions:

- Why have you placed the border here?  
What are the entry requirements that people have to go through at border control in order to enter your side??

**Day Twenty-four:** Pick a book off your bookshelf try and pick a book you are not very familiar with). Pick a number between 1 and the amount of pages in the book. Go to that page. Flip forward five pages (if you can't, then flip back five pages). Read the page. Continue the story from that page in any way you want.

**Day Twenty-five:** Write a ten-word story whilst:

- hopping on the spot
- running laps around your garden
- walking the perimeter of the ground floor of your home

Or any other activities you can think of. The only rule is that you have twenty seconds to complete the ten-word story so set a timer!

**Day Twenty-six:** You are a factory that creates REALLY SMALL BOOKS by unknown authors. Follow the instructions on the video to create a library of little books and fill them with whatever you like!

**Day Twenty-seven:** On a piece of paper, draw four columns and label them in the following way:

1. Items found in nature
2. Items used every day
3. Words you like the sound of.
4. New Product/Concept

Complete columns 1-3 by creating a list in each that corresponds with their heading.

Choose one word from columns 1-3 to create a new product or concept. Place this in column 4. Explain its use.

As these sessions are focused on writing for wellbeing, there is no pressure at all to share your writing with us. However, if you would like to, we would love to hear from you.

You could take a photo, type up your work, or use any form you like. If you're a member of one of our out-of-school writing groups, you could upload your work to your Seesaw journal.

If you're accessing this activity independently, or through your school, we'd still love to share in the amazing writing you've created! You can post your work on social media, tagging us @GrimmAndCo, or email your work to [grimmapotheary@gmail.com](mailto:grimmapotheary@gmail.com).
