

THE BIG BAD BOG!!!

Once upon a pixie land, under a little oak tree there lived a pod of pixie's, all was happy and merry...until one day... It came the time when the pixie's had a visitor from miles and miles away, a beetle with a package for the pixie's. The pixie's tore open the box to be recited with a book! They looked at the book curiously and looked at the cover and looked at the name which was called the big bad bog...

The pixie's opened the book to see that to their surprise that it wasn't a book at all it was a secret CHEST!! Which was owned by their arch enemy's, the fairies... After a few minutes, the pixie's had lined up the chest and one fairy was just about to try and open it up when THE REST OF THE PIXIE'S BROUGHT A ROKET LAUNCHER A FIRED A CANNON BALL AT THE CHEST, and with no surprise it opened to reveal the fairies secret battle plans...

This was INCREDIBLE the pixie's were amazed by their discovery they thought up a plan for hours, until it was ready... The pixie's CHARGED spears were up first and bows were out back then a deafening siren spread across the battlefield with an ear splitting shriek. Suddenly, thousands elves started pouring out from the right side of the hill blowing up everything in sight! But from the LEFT side of the hill thousands of gnomes were pouring out of NOWHERE shooting bottle caps at each other!!! But sadly, we can't show you how the battle goes

because it's too brutal but afterwards the pixie's the gnomes
and the elves lived happily ever after. -THE END-
