THE OF EASTER

Please enjoy this piece of Creative Genius from young Mortal Beings

My Voice is a Rabbit

My Voice is a Rabbit
It is quiet around new people
And trusting when it comes to friends
It can be bouncy and energetic
But there are points when that ends
It's usually alone
But feels much safer in a group.

My voice is not a useless whisper or an over-powering shout. Hear my voice.

My voice is a golden retriever
It leaps in the field
and jumps on the hills
and sleeps in the flowers
and plays with the wonderful wildlife.
It chases the sticks
and plays with care
then rolls in the mud with a lack of flair

My voice is not a useless whisper or an over-powering shout. Hear my voice.

Our voice is a fox
It avoids contact with others
But it is playful and vocal
It can be defensive when confronted
and violent when needed.

My voice is not a useless whisper or an over-powering shout. Hear my voice.
